COMMENCEMENT TO BE HELD AT SHRINE

The College will hold its 110th Commencement on Monday, May 20, at 10:30 a.m. at the National Shrine. The Shrine has been selected again this year as the site for the Commencement exercises because its layout makes good visibility possible.

Since 1869, Gallaudet's graduating classes have received diplomas signed by the President of the United States, and this year 124 seniors and 37 graduate students will be presented degrees signed by President Nixon. Many of the graduates will receive their degrees from their Congressmen, ambassadors or embassy representatives.

The Honorable Albert H. Quie (R-Minn.) has been asked to deliver the Commencement Address and will be among the four honorary degree recipients.

The Gallaudet College community is welcome to attend the ceremonies and is also invited to meet the graduates and their families at a reception on Sunday, May 19, from 2-5 p.m. in the Student Union.

PRE-SCHOOL TO MOVE TO KENDALL

The legislation which established Kendall as a demonstration school in 1970 specified that the school's program will provide "education for deaf children from the age of onset of deafness to age fifteen..." To date, Kendall has not offered a preschool program, but this summer the Gallaudet College Pre-School will merge with Kendall School.

Presently operated as a part of the Graduate School, the Pre-School will become an administrative and physical unit of Kendall School and will occupy the rear section of the second floor of the north wing of the building. Following the merger, the Pre-School staff and operations will come under the administration of Kendall School.
